LETTER FROM THE PRESIDENT

Dear Beckley Area Foundation Community,

As we reflect on another year gone by, we are constantly reminded of the incredible power of our community. Each time we come together, whether it be to support a neighbor in need, celebrate a triumph, or simply enjoy each other's company, we are reminded of the strength and resilience that comes from unity.

A community provides support and a sense of belonging. People come together to share experiences, help each other, and create a network of connections. We have seen acts of kindness large and small, all serving to remind us of the power we possess when we stand together. This bond strengthens relationships and fosters a sense of unity and collaboration among individuals. The power of community lies in its ability to bring people together, creating a shared sense of purpose and a feeling of being part of something greater than oneself.

Beckley Area Foundation facilitates an opportunity for individuals to create an endowment for the benefit of our community. BAF experienced exceptional growth during the year with assets exceeding $73,000,000 from 546 funds. Scholarship and grant distributions totaled $1,656,780 for the year ended March 31, 2024 with cumulative distributions totaling 24,611,000 since the inception of the Foundation.

Dena and her dedicated staff inspire the Board of Directors to support and address the most pressing needs in our community. As we look ahead to the coming year, we are filled with hope and optimism for what we can achieve for our BAF community. Our foundation is strong because of the individual bonds we share, and with that strength, we know we can continue to make a positive impact in the community around us.

Thank you for your continued support.

Respectfully,

Doug Ramsden
President, BAF Board of Directors 2023-2024

DID YOU KNOW?

The Youth Museum's latest educational exhibit is inspired by the factory tour segments from the Mister Rogers' Neighborhood television series.

"How People Make Things", offers hands-on activities using real factory tools and machines to create objects with four manufacturing processes - molding, cutting, deforming and assembly.

Every object in our world has a story of how it is made. "How People Make Things", tells a story by linking familiar childhood objects to a process of manufacturing that combines people, ideas and technology.

The Youth Museum is open seven days a week between 10 a.m. and 5 p.m. This exhibit will be available to enjoy September – December 2024.

GRANTSEEKERS

BAF's first Grantseekers workshop in July 2023 was a success thanks to our speaker, Jenni Canterbury and the many local nonprofit organizations that attended.

We had open discussions on how to "share your story" and discussed tips on how to effectively connect with audiences by having an online presence.

The Child Evangelism Fellowship of WV Inc. - New River Chapter, was awarded a $500 grant at the end of this workshop to use towards their marketing efforts!

BAF's second Grantseekers workshop focused on ways to maximize your chance of receiving a grant from BAF's community grant program.

Chris Vaught presented strategies to help craft compelling proposals that stand out. In addition to key strategies, tips, and best practices, the session also provided a detailed inside look into how applications are considered from the evaluators' perspective.

LEAVE A LEGACY

Leave a Legacy is a way for individuals to leave a charitable bequest to what they value most. A bequest can have a significant impact over time and make a difference to an organization or your local community.

Some people think they must choose between leaving a gift to their family or their favorite nonprofit organization. You can do both, and some charitable gifts may save your family money by decreasing inheritance taxes! A simple gift provision in your will can make a difference in many lives for years to come.

Here are some important things to remember when you think about leaving a bequest:

- **Make sure you have an updated will (or living trust) that reflects your charitable objectives. Without these documents, you surrender control of your property and assets to the courts.**
- **Contact your financial advisor (a financial planner, lawyer, or accountant) and ask for help in establishing a charitable gift.**
- **Think beyond cash – you can leave stocks, real estate, insurance policies, and private property to charitable organizations.**
- **Make a local nonprofit organization a beneficiary of your life insurance, pension plan or IRA.**

Charitable Gift Planners of WEST VIRGINIA

Joyce Broyles

Joyce was an active donor and one of BAF's first employees in 1985, working as BAF Office Manager. She always supported local business and BAF while living in Beckley, WV. Joyce and her husband started 10 funds at BAF and they also left their entire estate to the foundation.

"A lifetime is brief. Every relationship, every thought & every action will change the world forever. The distribution from these funds will continue for many lifetimes, giving a spirit of sharing and goodness to the world." – Joyce Broyles

Dr. Thomas W. Jarrett

Tom loved his community and wanted to see it flourish. He was on the board of directors for BAF, instrumental in building the YMCA Youth Soccer Complex, founder of Citizen Southern Bank, and developer of Brookshire Professional Park. He was an originator of Chili Night, a volunteer for Mac's Toy Fund, involved in the Youth Museum, helped design the Peace Totem, started Foster's Hardware Restaurant, contributed to the F.O.L.K. project and Operation Backpack. He was an advocate and supporter of the Raleigh County Humane Society.

Tom started the Buckner Woodford Clay III Memorial Fund and left a $250,000 matching opportunity to BAF in his will.

"Tom Jarrett was the true spirit of Beckley and Raleigh County, and all of southern West Virginia! His endless enthusiasm, dreams, and desire to make this a better community and a better place to live for all is a testament to his character. Losing Tom was a tremendous blow to our community, although we can take comfort knowing that Tom would want us to continue with the spirit and drive to improve and make our community a better place to live for all!" – John Wooton | Tom's Friend

LEGACY SOCIETY

The Legacy Society gives BAF an opportunity to acknowledge individuals who have shared with us that we have been included in their estate plans. These individuals have seen the impact of our work for Raleigh county and it's surrounding communities, and they wish to help support our efforts after they are gone. BAF has received over $25 million in gifts as a result of charitable bequests. Below is a list of Legacy Society members at BAF, who we are very grateful for their support. If you are interested in joining the Legacy Society, please reach out to us at (304) 253-3806 to learn more about leaving a legacy.

HOW TO START A FUND

Donate

Individuals, families, groups or businesses can make a tax deductible donation of cash, appreciated stocks, real estate, or other assets. Ask us about the "building over time" option.

Create

What are you most passionate about? Create a fund that will accomplish your philanthropic goals today and for the future. (i.e., Emerging needs, a local organization, education, etc.)

Grow

Gifts are invested and pooled together for long-term growth in our three trustee banks. Over time, the earnings gained from these investments are used to make grants.

Impact

Grants are distributed to improve the quality of life and strengthen our community. Over time, the impact of these grants will create a lasting legacy of giving from your fund.

WHAT IS THE FIRST STEP?

To begin this process or ask questions, please reach out to Dena Cushman, BAF Executive Director, by calling (304) 253-3806 or email dena@bafwv.org.
